

Contributor License Agreement

In order to ensure that the Works have the necessary intellectual property rights in any Contributions from any person or entity, DataStax, Inc. ("DataStax") must have a Contributor License Agreement ("CLA" or "Agreement") on file. The purpose of this license is to clarify the intellectual property license granted and it does not change your ownership rights to use your own Contributions for any other purpose.

This CLA is entered between You and DataStax, Inc., a Delaware corporation having its principal place of business at 3975 Freedom Circle, #400 ("**DataStax**") as of the date of your signature below. "**You**" means the copyright owner or legal entity authorized by the copyright owner that is entering into this agreement with DataStax.

1. Definitions

1.1 "Contribution" means any work of authorship that is Submitted by You to DataStax in which You own or assert ownership of the Copyright.

1.2 "Copyright" means all rights protecting works of authorship owned or controlled by You, including copyright, moral and neighboring rights, as appropriate, for the full term of their existence including any extensions.

1.3 "Submit" means any form of electronic, verbal, or written communication sent to DataStax or DataStax representatives, including but not limited to electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, DataStax for the purpose of discussing and improving any of the products owned or managed by DataStax (each a "Work" and collectively "Works"), but excluding any communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. License to DataStax

Subject to the terms of this Agreement, You grant to DataStax a perpetual, worldwide, exclusive, royalty-free, transferable and irrevocable Copyright license ("License") with rights to sublicense through multiple tiers of sublicensees, to practice such non-assigned rights, including, but not limited to, the right to reproduce, modify, display, perform and distribute the Contribution under any type of open-source or proprietary license.

3. Patent License

For patent claims including, without limitation, method, process, and apparatus claims which You own, control or have the right to grant, now or in the future, You grant to DataStax a perpetual, worldwide, non-exclusive, transferable, royalty-free, irrevocable patent license, with the right to sublicense these rights to multiple tiers of sublicensees, to make, have made, use, sell, offer for sale, import and otherwise transfer the Contribution and the Contribution in combination with the applicable Work (and portions of such combination). This license is granted only to the extent that the exercise of the licensed rights infringes such patent claims.

4. DataStax Rights

You acknowledge that DataStax is not obligated to use Your Contribution as part of the applicable Work and may decide to include any Contribution DataStax considers appropriate. You agree that we may register a copyright in the applicable Work that includes Your Contribution, and that we may exercise all rights associated with such copyright. You agree that neither You nor DataStax has any duty to consult with, or obtain the consent of, pay or render an accounting to the other for any use or distribution of Your Contribution.

5. Moral Rights

If moral rights apply to the Contribution, to the maximum extent permitted by law, You waive and agree not to assert such moral rights against DataStax or any DataStax successor in interest, or any DataStax licensee, either direct or indirect.

6. Your Representations

You represent and warrant to DataStax that You (i) are not aware of any other entity, including Your employer, that has or will have any right, title, or interest in the Contribution, (ii) have not assigned, transferred, licensed, pledged, or otherwise encumbered the Contribution or agreed to do so, (iii) have full power and authority to enter into this Agreement and to make the assignment as provided in Section 3, (iv) are not aware of any violation, infringement or misappropriation of any third party's rights (or any claim thereof) by the Contribution, and (v) You are over 18 years old, or if You are under the age of 18, Your parent or guardian has reviewed and will sign the Agreement for You. If your employer has any rights in Your Contribution, You represent and warrant that you have the necessary permissions and authority to grant the licenses provided under this Agreement and to bind your employer to this license.

7. Warranty Disclaimer and Consequential Damages Waiver

EXCEPT FOR THE EXPRESS WARRANTIES IN SECTION 8, THE CONTRIBUTION IS PROVIDED "AS IS." MORE PARTICULARLY, ALL EXPRESS OR IMPLIED WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT ARE EXPRESSLY DISCLAIMED BY YOU TO DATASTAX AND BY DATASTAX TO YOU. TO THE EXTENT THAT ANY SUCH WARRANTIES CANNOT BE DISCLAIMED, SUCH WARRANTY IS LIMITED IN DURATION TO THE MINIMUM PERIOD PERMITTED BY LAW.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL YOU OR DATASTAX BE LIABLE FOR ANY LOSS OF PROFITS, LOSS OF ANTICIPATED SAVINGS, LOSS OF DATA, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL AND EXEMPLARY DAMAGES ARISING OUT OF THIS AGREEMENT REGARDLESS OF THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT, STATUTE, OR OTHERWISE) UPON WHICH THE CLAIM IS BASED..

8. Trademarks

This License does not grant permission to use the trade names, trademarks, service marks, or product names of either party, except as required for reasonable and customary use in describing the origin of the Contribution and reproducing the content of the NOTICE file.

9. Miscellaneous

9.1 This Agreement will be governed by and construed in accordance with the laws of California excluding its conflicts of law provisions. Under certain circumstances, the governing law in this section might be superseded by the United Nations Convention on Contracts for the International Sale of Goods ("UN Convention") and the parties intend to avoid the application of the UN Convention to this Agreement and, thus, exclude the application of the UN Convention in its entirety to this Agreement.

9.2 This Agreement sets out the entire agreement between You and Us for Your Contributions to Us and overrides all other agreements or understandings, provided, however, that if You are an employee of DataStax, this Agreement does not modify or supersede Your other employment agreements with DataStax except to the extent those agreements specifically exclude the Contribution from intellectual property assigned to DataStax in connection with Your employment.

9.3 If You or We assign the rights or obligations received through this Agreement to a third party, as a condition of the assignment, that third party must agree in writing to abide by all the rights and obligations in the Agreement.

9.4 The failure of either party to require performance by the other party of any provision of this Agreement in one situation shall not affect the right of a party to require such performance at any time in the future. A waiver of performance under a provision in one situation shall not be considered a waiver of the performance of the provision in the future or a waiver of the provision in its entirety.

9.5 If any provision of this Agreement is found void and unenforceable, such provision will be replaced to the extent possible with a provision that comes closest to the meaning of the original provision and which is enforceable. The terms and conditions set forth in this Agreement shall apply notwithstanding any failure of essential purpose of this Agreement or any limited remedy to the maximum extent possible under law.
